📍 Abba Achimair 12 / 11, Ramla, 7228406, Israel,
Ramla, 7228406

ABOUT ME

I'm Uriel Bengaev, a 25-year-old web developer from Ramla, skilled in Java, JavaScript, CSS, HTML, React, Node.js, and MongoDB. Trained through a web development course, I excel in crafting responsive and intuitive web applications. Passionate about coding and eager to learn, I'm seeking to join a dynamic team as a full-stack developer to contribute to meaningful projects and further my growth.
